

# EMOTIONALLY INTELLIGENT LEADERSHIP

1 DAY PROGRAM

## OVERVIEW

Leadership research tells us there is a set of crucial interpersonal skills to become an effective, trusted and respected leader who inspires their team to achieve great results. One of these key skills is Emotional Intelligence. At least 55% of successful leadership is based on emotional intelligence.

This full day program helps leaders identify which skills they already have and which they need to develop to succeed as an emotionally intelligent leader. Through a series of practical exercises, participants will gain skills they can transfer to their day to day roles – immediately increasing confidence in their ability to use emotional intelligence to communicate with, motivate and manage others.

## OBJECTIVES

- Understand the qualities of an emotionally intelligent leader
- Learn the connection between emotionally intelligent leadership, team wellbeing and productivity
- Increase skills in self awareness and self management
- Develop skills that gain trust and strengthens relationships
- Use emotionally intelligent strategies to lead with greater effectiveness
- Increase your confidence as a leader to motivate and inspire others to give their best
